

Moral Molecules Online Workshop

Oliver Scott Curry (oliver.curry@anthro.ox.ac.uk), Mark Alfano, Mark Brandt
2pm-5pm (BST), Thursday 21 May 2020

Overview

The goal of the Moral Molecules Workshop is to bring together researchers working on some aspect of 'morality as cooperation', create common knowledge, share findings, foster collaborations, and chart a course for future research.

The Workshop will take place on Zoom, and will consist of lightning talks of ~5 minutes, with ~5 minutes for questions.
